***35-YEAR CONSTRUCTION VETERAN JOE BOLANO JOINS
COLLIERS INTERNATIONAL | PROJECT MANAGEMENT HEALTHCARE TEAM***

NEW YORK, NY— January 28, 2019 — Colliers International is pleased to announce that 35-year construction and project management veteran Joe Bolano has joined the firm’s Healthcare Project Management team as Regional Director, Healthcare and Life Sciences. Mr. Bolano will oversee the design and construction of healthcare projects from conception to closeout and will be instrumental in growing Colliers’ portfolio and building a specialized healthcare team.

“Joe Bolano has an extensive background in construction project management across a range of asset types,” said Warren Elghanayan, Managing Director, “and with his proven track record of delivering innovative and complex healthcare projects, we are looking forward to him helping us grow our healthcare project management business.”

Mr. Bolano brings to Colliers deep and successful experience in the New York-area healthcare market. As Vice President, Capital Project & Facility Services for not-for-profit Northwell Health, he oversaw the planning and execution of all capital projects, infrastructure upgrades and major renovations across approximately 20 New York-area hospitals. He also served as Director of Facilities at New York Hospital Medical Center of Queens, now New York-Presbyterian Queens, where he oversaw all capital improvement and program development for the hospital and more than 45 off-site facilities. Most recently, Mr. Bolano served as the Vice President and Healthcare/Sciences Sector Leader for The LiRo Group, where he was responsible for expanding the firm’s healthcare, sciences, and higher education sectors.

“Joining the Colliers Project Management team is an exciting opportunity,” said Mr. Bolano. “The growing healthcare practice is staffed with industry-leading professionals and they are delivering high-level work. I look forward to introducing Colliers to new opportunities and working with the team on bold, new projects.”

Colliers International | Project Management provides clients with management assistance, technical and financial analysis, advocacy and oversight across the entire project lifecycle and in a full range of market types. The team specializes in property expansion, renovation and modernization, bringing value to spaces through innovative and sustainable approaches. The Healthcare Project Management team has

delivered numerous high-profile projects, including New York-Presbyterian Hospital David H. Koch Center, NYU Langone Medical Center and the Milton S. Hershey Medical Center, as well as numerous ambulatory surgery centers.
